

2025 Plans

The Bucks-Mont Senior Golf League will launch our seventh season on April 7 at Twin Woods Golf Course, Hatfield, PA.

The league will play at 4 p.m. every Monday (except holidays) and end the season in October with a banquet and a closing tournament with prizes.

Current league members registered for the 2025 season, starting October 14, 2024, and continued signing up until the league maximum of 70 members was reached. A waiting list was created after 70 members registered.

The league's annual membership fee remains at \$35.

The weekly green fee at Twin Woods Golf Course will be \$20. League members can rent a riding cart for \$8 per person or a pull cart for \$2. League members can play any day at that reduced league rate.

Every league member will receive a free USGA-based GHIN handicap after three scores are recorded. Their handicaps will be used to determine low-net scores for the season's contests and events. Those statistics are posted on the Members' Page of our website.

There will be snacks and beverages available to purchase every week after golf; prizes will be awarded then for low-net scores and on-course contests.

Special events during the season will include a Four-Golfer Scramble, a Match-Play Tournament and a Team Tournament.
